

Andrea Luzon

Legacy Liberator

"I serve parents of neurodivergent kids who want to love their life and connect with their spirited child."

Andrea is dedicated to helping 1,000,000 parents create deeply connected, loving relationships by reclaiming their Love Legacy: their unique imprint made on hearts and minds through their presence, words and deeds

About Andrea

After recovering from a life-threatening panic attack, Andrea Luzon found her mission: to help overwhelmed parents heal their emotional exhaustion and bring harmony to their life and family before it's too late.

Through Quantum Healing and Legacy Liberation Coaching, she teaches a fun and simple process to reawaken the Love Legacy within her clients and audience members.
