## Transformation Coach & Legacy Liberator

"I help restless men turn stress and tension into ease and legacy without giving up their toughness and self-reliance."

### About Andrea

After recovering from a life-threatening panic attack, and retraining her insistent inner critic, Andrea Luzon found her mission: helping overwhelmed overthinkers stop burnout and exhaustion by creating ease and legacy in their personal and professional life **before it's too late.**

She helps restless men find fulfillment and freedom in their life by rediscovering their desires, releasing their hidden blocks, and taking actions aligned with their authentic life vision.

Through Legacy Liberation Coaching, she teaches a fun and simple process to reawaken the Love Legacy within her clients and audience members.

*Andrea is dedicated to helping 1,000,000 men create a life they love.*
